QtGraphics

```
graph BT; QtGraphics --> QWidget; QtGraphics --> Graphics;
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'QtGraphics'. Two lines extend upwards from the top of this box, branching out to the left and right. Each line then turns upwards to point at the bottom of a box above it. The box on the left is labeled 'QWidget' and the box on the right is labeled 'Graphics'. This indicates that 'QtGraphics' is the base class, and 'QWidget' and 'Graphics' are its subclasses.
